

## Contribution Form

The Woodstock Area Jewish Community is supported entirely by gifts from the heart. We have no dues, our school is tuition free. What we have all built here is really nothing short of remarkable; our beautiful sanctuary, our Hebrew School with nearly 50 children, our vibrant community that continues to grow.

These accomplishments could never have been done without your support. Thank you all who send donations. As we move forward, expanding and enriching the Jewish life that exists in our community and region, we still need everyone's support to keep our community a special priority.

We must support the general operating fund and increase our Resident Rabbi Fund, so please consider contributing to these worthwhile causes.
